## Biblical Knowledge

Another year has passed and so has an amazing summer of fun and learning through the 2006 "Biblical Knowledge" program. For those who don't know, Biblical Knowledge is a summer program that provides spiritual activities as well as physical activities for the youth, ages 10-25.

The program centers around the challenge to be the first to read the entire bible and be successful in a series of game shows to test how much you read. Also included are many fun filled activities through the summer, such as basketball and soccer games, skating and bowling, just to name a few.

The founders of the Biblical Knowledge program are Brother Samuel Chance, and his wife Sister Michelle Chance. This year was the first to include another ministry: Rehoboth Church of God, as a part of the program.

The awards ceremony, took

place at the arts center at the Community College of Baltimore County (CCBC). Sister Shantel of Rehoboth Church was crowned the new "Biblical Knowledge" queen.

Shantel excelled because of her commitment to read the bible and showed the proof of her study by also excelling in her knowledge of the bible. Currently the 2007 "Biblical Knowledge" has begun; and participants are eager and excited. With the same activities from last year along with some new ones such as "BK Be All You Can Be Day" this year is bound to bring just

as much greatness.

Also this year we will have another church joining us, Zion Hill. We hope to have a memorable spirit filled experience. From a new crowned "king" and "queen" of the program to different activities, there is so much prepared for the participants of 2007. Many have tried but few have come close to becoming the new "king" or "queen", so from the 2005-2006 BK crowned "king", my advice is to do your best and have some good holy fun this summer. God Bless

## David's Movement

Gifted and talented David Chance has let the Lord lead him to minister and promote the name of Jesus through music, singing and song-writing. In the last couple of months David, who also leads the praise and worship during fellowship services at FMDM, has been traveling to many different places with various audiences in an effort to spread the news of his dynamic album. David's album titled "Unplugged" is due for

release this fall. It is evident that David sought the Lord in the making of "Unplugged." The words of his songs express his desire to really help people, who are in need of salvation.

He has recently appeared on the show Glory and Grace, hosted by Jamal Bryant, and the networks TBN and Fox 45. On these appearances, he not only ministered by sharing

his testimony through self-written songs but he also spoke of how the Lord has changed his life.

In July, David ministered at the Mall in Washington, D.C. at the Community Festival. A few weeks later, David traveled to Homestead, PA, to minister to the youth, at the church, Higher Call. He also sang at the Cadillac Festival in August held in Baltimore City. David will soon be holding a concert held at Rehoboth Church of God, also featuring The Choir Boys and the group Immeasurable.

## Pastor's Corner

The theme for Rehoboth Church of God in Christ's convocation this year was given by the Lord, "Forward still." As the children of Israel left slavery, they continued through the wilderness, across the Red sea until they arrived in Canaan. We will continue to go forward, growing in grace and in the knowledge of our Lord Jesus Christ. (35. Who shall separate us from the love of Christ?

Shall tribulation, or distress, or persecution, or famine,

or nakedness, or peril, or sword? 37. Yet in all things we are more than conquerors through Him who loved us. 38. For I am persuaded that neither death nor life, nor angels nor principalities nor powers, nor things present nor things to come, 39. Nor height nor depth, nor any other created thing, shall be able to separate us from the love of God which is in Christ Jesus our Lord)

Romans: 8: 35, 37-39

I am convinced that neither death nor life, angels or demons, fears for

today and worries for tomorrow, height or depth, nothing in all creation- not even the powers of hell, can separate us from the love of God, which is in Christ Jesus our Lord. We will continue to reach that place in Christ and not look backward but move Forward Still.

## Rehoboth Convocation

On five warm summer nights in June, Rehoboth Church of God in Christ held their annual Holy Convocation with the theme "Forward Still." This year's convocation beginning on June 6 brought together many ministries locally and internationally.

FMDM welcomed the invitation from Rehoboth to join them during this time of worship. Among the many different ministries, members of Bethel Born Again Apostolic Church from Brooklyn, New York also joined Rehoboth during this convocation.

The convocation consisted of a series of worship services accompanied by dinner and refreshments.

Every night a different minister preached on the theme of "Forward Still." Each preacher came with a unique flavor and a different concept of how to move forward in the Lord, Jesus Christ. Bishop Rueben Chance served as one of the speakers for this event. In his message to the congregation, he expressed how every single aspect of a believer's life must be geared towards for-

ward movement or else full advancement in the Lord cannot be achieved. The theme of this convocation definitely caused those who are serious about the Lord to examine themselves and their movement. Are you moving forward, backwards, or standing still?

We encourage you to move forward, forget the things that are behind you, and look forward to the Lord, Jesus Christ.

## Pillar of Truth

On Saturday, June 23rd 2007, Elder Paul Chance unfolded the scriptures in the spirit of truth, at Pillar of Truth located on 2505 E. Madison St. If you didn't know before you knew that night, that wisdom is a teacher; captivating those present under the anointing and those that rejected the truth or more accurately the nature of Christ left accordingly. Still we believe that where sin runs over in abundance the grace of God comes breaking

in surpassing the nature of sin (Rom. 5:20).

One who enjoyed the service shares his experience from that night.

"It was awesome, he taught on Christians and where they are spiritually. He talked about the circle living and how we need to come up to where the Lord is. We must walk away from the dust. Shake it off! It's the breath of God that gave us life."

That's the whole loaf for now. Shake off the dust, and grow to the level that Jesus requires.

# Testimony Column

The Lord is my Provider!! This is NOT just another testimony. This serves as a true testament that Jesus is a provider for literally all of your needs. If you lack something just call on him and he will provide! Hallelujah!!

The other day, during my lunch break, I had a little pocket change, just a few bucks to get something to eat. So, I'm configuring my budget and contemplating in my head on what I could buy with the few dollars. So I thought, with just three dollars, you can go to

McDonald's and use the dollar menu, or go to 7-11 and grab a chili-cheese dog, or a Tostito, and if you budget correctly you just might be able to squeeze in a beverage.

Well, while in the midst of all these calculations, someone walks up to me, places a five dollar bill right on the counter, and says, "Have a great lunch!"

Although, I wasn't dependent on Jesus to buy my lunch, He did! I was so excited when I got the extra money! But when I thought about it, the Lord really

provided. Jesus can allow a stranger to bless me with five dollars, then why not five hundred dollars, or even five thousand?

Also, if he can provide with money, then why not a house, a new car, that dream vacation! Saints, we have to get out of this simply mentality that God can't provide with lunch money, or bus money. He is our PROVIDER and he will do what he says!!!

## Witnessing

Go then and make disciples of all nations...teaching them to observe all things I have commanded you, and behold, I am with you unto the end of the world. (Matt. 28:19-20)

On Wednesdays, the people of God come together at 26 North Fulton Avenue, from 6:30 to 8:30 pm to spread the good news of the Gospel of Jesus Christ. As ministers and witnesses of Jesus, our job is to tell others what the living Savior has done for us. Therefore, we go door to door telling others of our personal testimony and of the goodness of Jesus Christ. During this time

of sharing, the Lord has touched the hearts of many.

Sister Lisa Moore, 21 and Brother Steven Jackson, 25, spoke the Word to a mother and her child who were sitting on their steps. It was clear that the mother received the words and believed God, when she began to shed tears and talk about how she needed prayer for her family. The two young people of FMDM counseled the woman and explained to her that in order for God to save her family, she must surrender her life to him. The woman continued to talk and confess that she didn't want to abuse alcohol or commit adultery anymore. "I'm tired of

sin," she cried.

God will heal his people only if they believe to receive.

"Unconditional love, oh, such love that comes from above, how you rescued me, gave me a life so I can be free, it's amazing to see, you gave me a testimony, and this is so true, done it for me, Jesus can do it for you!"

This the unconditional love: God sent not his Son into the world to condemn the world; but that the world through him might be saved. (John 3:17) Amen.
