SEPTEMBER 2006

Biblical Knowledge 2006!

Yes! Biblical Knowledge 2006 was indeed a success! This summer's competition was quite competitive, with the addition of about 25 young people who registered this year. F.M.D.M. is honored to have had the youth of Rehoboth Church of God in Christ join us for what was definitely an increase in fun, education, strategy, and oneness in the Lord our God. I needed further insight, someone that could shed some light on things. Joshua the Great was a bit hard to get a hold of, and the much more flamboyant Steven Jackson was then scarce, but fear not true believers. We've succored an

interview with the original King of B.K. himself, Emmanuel Belcher.

CB- KING Eman, there's a lot of talk this summer; This is rumored to be the greatest battle of the nation. Would you be so kind as to tell us (your kingdom) where you stand, oh KING?

KING EMAN- The B.K. competition has been an exciting experience and this year I want to see the fight and fire that the older and younger new competitors are bringing with them.

CB- There are so many comments made by the new comers such as Steven E.D. Jackson who's a young (lol) hot

off the press Son of God. I mean this guy's on fire. There's Joshua Belcher, who's easily become the fuel to the fire for old competitors such as Steven Chance, and Ezekiel Kelly who consistently argue that the reading competition crown is rightfully theirs. How does this affront make you feel this summer.

KING EMAN- Because of my personality I welcome all challengers. May the best man or woman win. Let's not forget that the B.K. queen is also being challenged. God bless and long live the king and queen.

CB- Indeed young king, Indeed.

-Caleb Belcher

Holy Convocation!

The Thanksgiving Holy Convocation of 2006, held at Rehoboth Church of God in Christ, was wonderful. There was a lot of great singing, rejoicing, and praises lifted up to Jesus. The convocation began on Wednesday, June 7th and ended Sunday June 11th. The fasting and praying did not go unrewarded because we were blessed with five "Power Packed" days of convocation!

Rehoboth Church of God and Fisher's of Men Deliverance Ministries worked together as one unit for the cause of winning souls for

Christ. One example of this is how well the praise team from each church worked together to lead the congregation in praise and worship.

The word of God went out all week to accomplish and establish God's "will" for his people. The speakers included Bishop William A. Thomas, Bishop Jimmie Thompson, Pastor Eula Frazier and Evangelist Steve Berry.

Last but not least, the final day of the convocation was dedicated to the ordination and consecration of

those leaders who had proven worthy of promotion. All attending this special service witnessed our very fine Pastor Reuben Chance consecrated to the title and lifestyle of "Bishop." Bishop Reuben Chance now formally resides over the Fishers of Men Deliverance Ministries International. This currently includes churches in the U.S and Africa: next, the rest of world!

To God be the glory!
