

“ FOLLOW ME, AND I WILL MAKE
YOU FISHERS OF MEN .

DECEMBER, 2005

I thought a while on what to write for this newsletter, and decided to continue honoring the honoree by giving the “chosen voice,” room to speak. I asked her only a few questions in this brief interview.

While speaking with Prophetess Lottie Chance, I recognized her Lord’s parallel existence with her own. Just as she could be misinterpreted by her small stature, our Lord could easily be missed if one could see him “naturally.” The same spirit that raised Christ from the dead dwells richly in her. This is something that can never be measured in size or stature.

C.B. – What did you enjoy the most from the message that Pastor Diane Green brought forth on one Sunday evening?

Prophetess Chance - It was perfect. I like the person (Pastor Diane Green) chosen to bring the message. She was the right person to bring it.

C.B. – If there was one

thing you would say to the young people in FMDM what would it be?

Prophetess Chance - I would say for you all to be consistently obedient to what the Lord says. Taking a page from the message “subconscious is self knowledge.” One of the meanings of the word subconscious is, “substitute” or “division.” People are substituting their consciousness with self knowledge, with self. This is wrong. This is division. This is double-mindedness. Christ is all and in all. Jesus (the fullness) said it is finished while hanging on the tree in sacrifice.

WORD FROM THE LORD—

Min. Paul Chance

“Jesus has called young people in this day to stand for Him in a way that has never been seen before.” Young people are no longer loving or craving for worldly things.

But young people are having the manifestation of the Love of the Father, by not dressing like, acting like or talking like the world. Their craving is to be like the Lord Jesus not the world.”

-Anthony E. Belcher

MUSIC MINISTRY—

David Chance is back from the dead. He is alive unto Christ NOW! Ever since he

was severed from Sony Music Corporation in 2003, he has been on fire for Jesus. His gospel album is said to be released fall of 2006. His main agenda for his upcoming album is to change the face of gospel music. He does not want to be just another artist with just another album. The album is entitled “Unplugged”. This album will bring a message to sinners, saints, believers, and backsliders. He is an unusual son of God and demonstrates the true love of Christ.

We are the Fishers of Men Deliverance Ministries and we are on a mission, to feed, clothe, house, and educate God's people. This is not just an statement, but this is a vision that the Former, Pastor Rudolph Chance received many years ago and we are still actively accomplishing this prophecy.
