Personal Testimony: Minister Caleb Belcher

My name is Caleb Belcher, and I am 20 years old. I was born into the church. I had to attend every church service growing up. At the age of eleven I committed my life to Jesus for the first time. It was real. I not only felt joy, but I felt complete. I knew for certain that I had made a wise decision. What I didn't know then was that I opened a door that connected me to this eternal spirit so many people doubt exists.

There were many obstacles of course. In the years that followed I had to make it out of elementary, and middle school without being touched or tarnished in some way. It didn't happen. By the time I reached seventh grade I'd already surrendered to the pull of the world. I remember getting caught several times stealing from stores. God was looking out for me even when I turned my back on him. God didn't want me to get comfortable stealing or lying so I was caught almost every time. Yes I was stealing at ages 11 and 12. The older I got the deeper I went sin.

I got into the lust, the girls, and even masturbation. I tried a lot of things but I realized that the salvation that Jesus gave me was the only thing that doesn't wear off. Stealing didn't satisfy me, I couldn't find the right girl, masturbation of course couldn't satisfy me. Above everything, and everyone else Jesus was still there. Living without Jesus I felt alone; I couldn't depend on any of my friends for comfort. Quickly I remember that St. John chapter 1:12 says that "whoever receives Jesus he will give them power to be a child of God, a new creature".

I decided and made up my mind to really serve the Lord Jesus. I spoke to him just like I speak to my pastor or my mother today. I opened up to him and repented for all the sin that I let in and let rule me. I asked him to clean me, and I told him that I believe that he is God and that he died for me. Ever since that day he has been keeping me (Tim.1: 12 "He is able to keep what I have committed to him") free from sin in this sinful world. Yes it's possible. All you have to do is repent of your sins, turn away from them, and believe on his name. Try Jesus and he won't let you down.
